DETAILED ACTION

Acknowledgment is made of the appeal brief filed on May 30, 2006. Claims 80-82 are currently pending.

Drawings

1. Drawings filed on June 8, 2000 are informal. Formal drawings are required.

Allowable Subject Matter

2. Claims 80-82 are allowed.
3. The following is an examiner's statement of reasons for allowance: the prior art of record fails to teach or fairly suggest either alone or in combination thereof, a method of reducing a cost of transmitting data from a mobile data collection terminal to a remote host over a communication network having a plurality of channels including a wireless channel having the steps of:

determining a geographic location of the terminal relative to the host by operation of a global positioning system;

determining the cost of transmitting the data, including the image, from the geographic location of the terminal over each channel to the host; and

selecting the channel for data and image transmission based on the geographic location of the terminal and the cost determined to be least.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
